

IMPORTANT CANDLE SAFETY TIPS

1. Trim candle wick to 1/8" before lighting, and keep wick to 1/8" while burning. "Clip Your Wick" Wick Trimmers are available through Tobacco Outlet Products.

2. Always burn candle on a heat resistant surface, preferably on a heat and fire resistant candle holder.

3. Burn candle within sight, never on or near anything that can catch fire.

4. Do not let matches, wick trimmings or debris accumulate in the jar, as this could be a fire hazard.

5. If flame smokes, extinguish and trim wick to 1/8" before relighting.

6. NEVER leave a burning candle unattended.
